14 November 1962

Memorandum for: Dr. James Killian

Chairman, Fresident's Foreign Intelligence Advisory Board

This is to let you know that your letter of November 14th asking for a report on the intelligence community's activities during the 12-month period preceding 14 October 1962, specifically in regard to Cuba, has been received and will be discussed at the meeting of the United States intelligence Board tomorrow. Additionally, I have sent copies of it to Secretary Rusk, Servetary McMamara, Mr. McGoerge Fundy, and the Attorney Comeral for their information.

I think you realize that it is a streetle task to be fully responsive by the time of your next mosting on December 7th. Although the Central intelligence Agency is well along toward its final report, the consolidation of this report with those from other members of the intelligence community will require some painttaking and closely-integrated effort.

I will do my best to get my final report to you prior to your next meeting.
